Blue Lake Fine Arts Camp is pleased to offer several scholarship programs available to students of any race, religion, color, national or ethnic origin seeking financial aid to attend a session of camp. Scholarships awarded from this special application process (if greater) will take the place of any other Blue Lake scholarship that the student may have previously received.

PLEASE NOTE: A student receiving a Blue Lake scholarship is not automatically registered in a camp session. A Blue Lake camp application (from the center of the Blue Lake catalog or our website) must be completed and sent in with a \$200 deposit in order to be enrolled. The camp application and deposit may be submitted with this form or submitted after you receive notification of scholarship. All Blue Lake enrollment is accepted on a first-come, first-served basis, and a scholarship award does not guarantee or reserve enrollment for a student.
