Dear Parent/Guardian:

This Financial Need Scholarship Application may be used toward a summer session at Blue Lake Fine Arts Camp. It is available to gifted and economically disadvantaged students of any race, color, national or ethnic origin on a first come, first served basis. The amount of the scholarship may vary depending on need and availability of funding. A Financial Need scholarship does not include or cover the required \$200 deposit, or optional minor fees.

You will be notified by mail if a scholarship has been awarded. It is up to the parent to then submit camp registration and deposit by the deadline indicated in your award letter. Please note that these scholarships have an expiration date, and if you do not enroll by that date, the scholarship will be awarded to another candidate. A student receiving a Blue Lake scholarship is not automatically registered in a camp session. A Blue Lake camp application must be completed and sent in with a \$200 deposit in order to be enrolled. All Blue Lake enrollment is accepted on a first-come, first-served basis, and a scholarship award does not guarantee or reserve enrollment for a student.

For those students wishing to apply for a financial need scholarship by mail, please include the following materials described in **sections A and B** of the following application. Students who have already auditioned for a Blue Lake representative at school, please complete **only section B** of this application.
