

Employment Opportunity: Assistant Food Service Director

Blue Lake Fine Arts Camp seeks an Assistant Food Service Director for its summer camp operation. The Assistant Food Service Director completes both administrative and managerial responsibilities, including:

- Working with Food Service Director to implement an effective food service operation.
- Assisting with recruiting, hiring, training, scheduling, and supervising a staff of 50 seasonal employees
- Providing professional oversight in conjunction with established state license regulations and organizational protocols
- Providing ServSafe training to employees as necessary
- Overseeing food production and daily operations of 2 large kitchen facilities, ensuring that production is timely and product is high quality
- Assisting in managing accurate inventory, orders, budget, and other administrative tasks

The ideal candidate for this position is positive, energetic, a team player, effective as a leader with employees of all ages, and experienced within the food service community, whether institutional food service, restaurant, or catering. This position is a full time seasonal commitment (early June — late August), with some limited remote responsibilities in the spring. Salary commensurate with experience.

Blue Lake's Assistant Food Service Director reports directly to the organization's Food Service Director, and is a member of the Food Service department's leadership group. Blue Lake Fine Arts Camp is a non-profit summer school of the arts, established in 1966, annually serving nearly 6,000 students through educational programs in music, art, drama, and dance. The food services department supports a community of 1,800 students, staff, and faculty at one time throughout the summer season.

Interested applicants should submit a cover letter, resumé, and three professional references through this online application: [Blue Lake Application](#)
